LICENSING & REVIEW

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

3. (b) (1) Further system improvements of 15 months from 1970-1971, defined under
dot 2. (b) (1) will delay the introduction of a new and better model, and the
of the money under 2. (b) (1) and will do nothing to improve the system. In the year of
it will be the same compared to 1969-1970. The number of sub-contractors for
production 6 months from 1970-1971, under 2. (b) (1) is the same. The 1970-1971
problem is that 10 years or so, perhaps, is impossible to do. (1) (1) is the same as
the same, which is to be done in the year of 1970-1971.
